

Blohm Flying News: Phil, EJ and sons

July 2022

Blohm family 2015

Seven years ago this month our family of 6 stepped out of the Jomo Kenyatta International Airport in Nairobi, Kenya for the very first time. We didn't know what to expect, but we did know that the Lord had called us to this ministry with aviation – AIM AIR.

I remember feeling *anxious* (what have we done!), *excited* (let's taste this thing called ugali!), *out of place* (lots of head patting for our blond haired sons), *determined* (one way tickets), and incredibly *thankful* (it took 10 years of preparation to get to Kenya).

Thank you for sending us to Kenya – thank you for giving of your finances, resources, prayers and love. Thank you for your partnership!

Now, as a family of 3 (our oldest 3 are stateside), we have committed to another four years with AIM AIR – being a lifeline to missionaries at the end of the road, bringing the Gospel to far flung places by airplane, making disciples of Jesus through mentoring and small groups, and encouraging our teammates through member care ministry.

Partner with us on this journey by joining (or rejoining) our support team!

Our travels to the western states have been simply glorious with mountain views, scenic highways, and lovely people! We've done a lot of listening, praying, and sharing about what God is doing. We've reconnected with old friends and made new ones. THANK YOU ALL!

Keep praying as we continue traveling through Kentucky, Ohio, Wisconsin and then Alabama for a debrief conference in early August.
